Rotary Park and Youth Service projects continued to be the emphasis of the club members during this Rotary year. The Club assisted in the formation of the Kindergarten to be held under the Congregational Church. Two stretchers were purchased for them. Donations were given to the Petrie Square Dancers (an activity which was very popular at the time) and a school football team.

The club organised an Art Class at Petrie every Saturday. The teacher volunteered her time and many children were enthusiastic. The two Craig girls attended.

The Marsden Home for Boys had a *Marsden Horne Day* each Spring. Members assisted in erecting stalls and tents on the preceding Friday evening and some helped on the day. Two of the boys were given financial help to go to a camp in Toowoomba. Help was also given to other local youth wishing to form the Pine Rivers Rowing Club.

Books in the Anzac Tradition were presented to local schools.

Club members enjoyed regular and interesting Guest Speakers throughout the year.
