

# Introduction of the 10 Years of the History of The Pine Rivers Rotary Club. 2009 to 2019

As a past President of the Rotary Club of Pine Rivers, it has been a privilege and a pleasure to be able to present this last 10 years of Club history from 2009 to 2019. As we celebrate 60 years of Rotary Service to the Community of Pine Rivers, it has been great to be associated with a Club that has been going places for 60 Years.

As you read and absorb the proud history of our Club, you will realise how many volunteer hours have been spent in the Service of Rotary not only in our own Community, in our own District, but in the wider world of Rotary International. It certainly is Service above Self.

To all our current members and past members, I am extremely grateful for the effort you have given in assisting me in the preparation of the History of the Club.

It is my desire that as you read the proud history of our Club, that you, as members, stand tall because you have been part of a worldwide organisation - Rotary - that has been there when disasters have hit. We provided the resources to provide the Shelter Boxes, and wells for water for people without. We have been there to raise funds for the eradication of Polio as well as many other necessities too numerous to mention. You were there as a Club to support the Ideals of Rotary through Pine Rivers Rotary.

I must say thank you every member of the Club who has contributed this much needed information to build on this history. I trust it will be a record of which to be proud.

Yours in Rotary Service
