**Convention** held at [St. Louis](#), Missouri, USA on June 9-13, with 10,779 delegates.

**District Governor:** Frank C Sanders, Toowoomba

**District Conference location:** Nambour

**Club President:** Les Thompson

Many projects were undertaken during this year including the painting of the Scouts hut at Petrie and the Girl Guides hut at Kallangur.

Club members combined with several other Service clubs to erect the Q.C.W.A. Hall at Kallangur over one week-end. It was a very successful project. Later during this Rotary year, Club members painted the fence for this complex. The members also assisted in the formation of the District Fire Brigade. Further help was given to the Pine Rivers Rowing Club who appreciated all the help Rotary could give them. Rotary Park was further developed when the Club purchased Cyclone fencing and erected a practice wicket.

In this year's programme, International Service featured when members conducted a special International Night and nominated a Rotary Foundation fellow. A donation of £12. 0. 0 was made to the Freedom From Hunger Campaign.
