Club President: Don Hawkins

Under the leadership of President Don Hawkins a very busy year followed, especially supporting a number of projects in both avenues of community service and international service.

The Club financed one Dental Clinic for Goroka, commencing an involvement with Papua New Guinea which has continued in a variety of forms ever since. During the Rotary Youth Leadership Award programme this year, an awardee from Mt Hagen was billeted by club members.

Fund raising came to the fore with two schemes undertaken during the year. A Walkathon was organised to aid the local Ambulance Centre and the Kallangur State School Swimming Pool. An Art Union was conducted in conjunction with the Pine Rivers Rowing Club to help them raise finances for their sport.

During the year, financial assistance was given to the Murrumba Rugby League, the Marsden Home for Boys, the Pine Rivers Marching Girls, as well as prizes being provided for school work exhibited at the Pine Rivers A. H. & I. Show.

The spray painting of the roof of the Marsden Boys Home complex was another task completed by club members.
