Community Service emphasis was on Road Safety. Members concentrated on our district, obtained a map of the area and plotted accident spots. Members then tried to find out why accidents occurred there. Car stickers were distributed with the slogan:

***"FOLLOW ROAD SAFETY WITH
PINE RIVERS ROTARY CLUB."***

Club members energetically promoted the use of seat belts in all vehicles.

Time was devoted to ongoing maintenance of Rotary Park where a tree planting scheme was implemented.

Support of Pine Rivers Rowing Club continued and was extended to the new Pine Rivers Ladies Rowing Club.

Anzac Books were again distributed to local schools.
